There are many roads that lead to the Seawall Motel...some longer, some shorter, some scenic, some are more direct. Many of our guests want the most direct route, which is

## Option #1

Take Route I-95 North to Exit 44 in Portland. Continue on I-295 North which rejoins I-95 near Augusta. Follow I-95 to Bangor Exit 182A, to Route I-395 around Bangor. Follow this about 2 miles to Route 1A toward Ellsworth and Mt. Desert Island. About 5 miles past Ellsworth you will go across a causeway onto Mt. Desert Island. The road splits, with Route 3 going to the left toward Bar Harbor and Route 102 going to Southwest Harbor on the right. (About 5 miles later you will enter the quaint little town of Somesville. The 25 mph speed limit applies all the way through town and is enforced.) There is a blinking yellow light in the center of Southwest Harbor. 0.6 miles after that turn left onto 102A (Seawall Road). We are 2 ½ miles later on your right.

Welcome!!

If you want a bit more scenic route try

## Option #2

Take Route I-95 North to Exit 44 in Portland. Continue on I-295 North which rejoins I-95 near Augusta. Take Augusta Exit 113 to Route #3, through Belfast, Searsport, Bucksport and Ellsworth. (If time permits, enjoy Fort Knox and the observatory on the Bucksport Bridge.) Turn right at the 2nd light in Ellsworth, on to Route #3 & #1. About 5 miles past Ellsworth you will go across a causeway onto Mt. Desert Island. The road splits, with Route 3 going to the left toward Bar Harbor and Route 102 going to Southwest Harbor on the right. (About 5 miles later you will enter the quaint little town of Somesville. The 25mph speed limit applies all the way through town and is enforced.) There is a blinking yellow light in the center of Southwest Harbor. 0.6 miles after that turn left onto 102A (Seawall Road). We are 2 ½ miles later on your right.

Welcome!!

Route #1 can be very pretty, but will be very slow and crowded, especially in July and August.
